

Organizational Membership Program

Do you have **multiple staff** who work in fundraising, marketing, communications, or related fields? Not only can they benefit from ACF, your organization will grow from their growth, and you can enjoy **big savings for your mission** with an Organizational Membership.

Why this is right for your organization:

- Gives you a streamlined process to renew existing ACF members and add new members with a single payment — giving all members the same renewal date
- Allows you to transfer ACF memberships within your organization due to turnover for the first half of the ACF fiscal year (July-December)
- **Saves cost while developing talent and benefitting seasoned employees**

Your discounted rates:

- \$220 for 3-5 members
- \$210 for 6-9 members
- \$200 for 10 or more members

NEW this year:

- We have **discontinued the \$300** fee that was charged per organization in the old Collaborative Partnership program
- The discounts are also greater. Previously \$10-30 per member, the **savings have now increased to \$40-\$60 per member!**

Interested? Contact us at membership@acfundraising.org so we can work with you to develop the right program for your organization.

Payment must be made in one annual payment from a single source.
